Zara   Mar 2021- Current   Roseville, CA
Position : *Sales Associate*

Started with Zara by selling, restocking, and merchandising then my skills improved to excellent customer service along with maintaining the appearance of the store and stock room. I enjoyed working at Zare because of the fast-paced environment. Manager trusted me with various projects which developed my knowledge in the retail business environment. That contribution participated in making our store rank first in our region.

- Increased our sales in comparison to 2019, by 75%.
- Continuously ranked #1 in sales of sales associates in the store.
- Recognized by management for consistently going the extra mile and doing whatever it takes to make the team successful.
- Time Management Skills
- Written And Oral Communication Skills

Content Creator at Facebook   Jan 2018 - Dec 2020 Roseville, CA
Position : *Content Creator (partner)*

Produced live stream videos like video games and technology related tutorials. Created channels to focus my contents based on my viewers interests to achieve best outcomes.

- Created content that successfully increased followers to reach +145k followers
- Content viewed 15 million times
- Channel content got shared more than 20k times
- Video tutorials, videos shared 6000 times
- 6500 subscribers on my YouTube channel
- Strong aptitude for learning new programs and applications; computer competence, hardware.
- Soft skills for complaint resolution, adaptability, flexibility, building viewers loyalty and time management. Seek creative alternatives in process efficiency. Problem solving. Continued to expand knowledge of this field and expanded my knowledge regarding systems/applications. Achieved optimal levels of performance and accomplishments.
- Experienced in the following programs (Adobe Photoshop, Adobe Premiere, Adobe Illustrator, OBS Studio, Discord Servers)

Education

Bootcamp Certificate, Full Stack Web Development – University of California, Davis, CA
